Super El Nino Winter forecasted!!!

Environment Canada is predicting a particularly harsh and snow-filled winter this season, with frequent heavy snowfall events and a longer-than-normal winter.

WHEN POSSIBLE, WEATHER PERMITTING, WE DO OUR WORK OVERNIGHT

- **WOW SNOW REMOVAL** will provide snow services from **November 1st, 2026 to April 30st, 2027**, on a 24 hours/day, 7 days/week basis.
- We will make a return trip to remove the ridge at the bottom of your driveway resulting from city crews after a snowfall of **5cm** or greater.
- Snow drifting due to high winds is the responsibility of the homeowner.
- We will carry out our work in a professional manner with all effort made to avoid property damage.
- The homeowner is responsible for, but not limited to: build-up resulting from sidewalk plows, snowfalls less than **5cm**, freezing rain and drifting snow caused by high winds.
- Due to the nature of our business, **WOW SNOW REMOVAL** is not responsible for damages incurred to your driveway caused by any of our equipment on uneven surfaces.
- During snowfalls of **10cms** or more, crews will begin their routes when **75%** of the forecasted snow has fallen.
- In cases where a vehicle is blocking the driveway, we will remove what snow we can with the truck, while safeguarding the obstacle.
- Fully insured for damages.
- Because we are working and snowplowing your driveway, we cannot answer phone calls, but we will leave periodic updates on how things are going on our answering machine.

We might not be able to provide front walkway shoveling during the time of driveway clearing but will return later.

CONDITIONS:

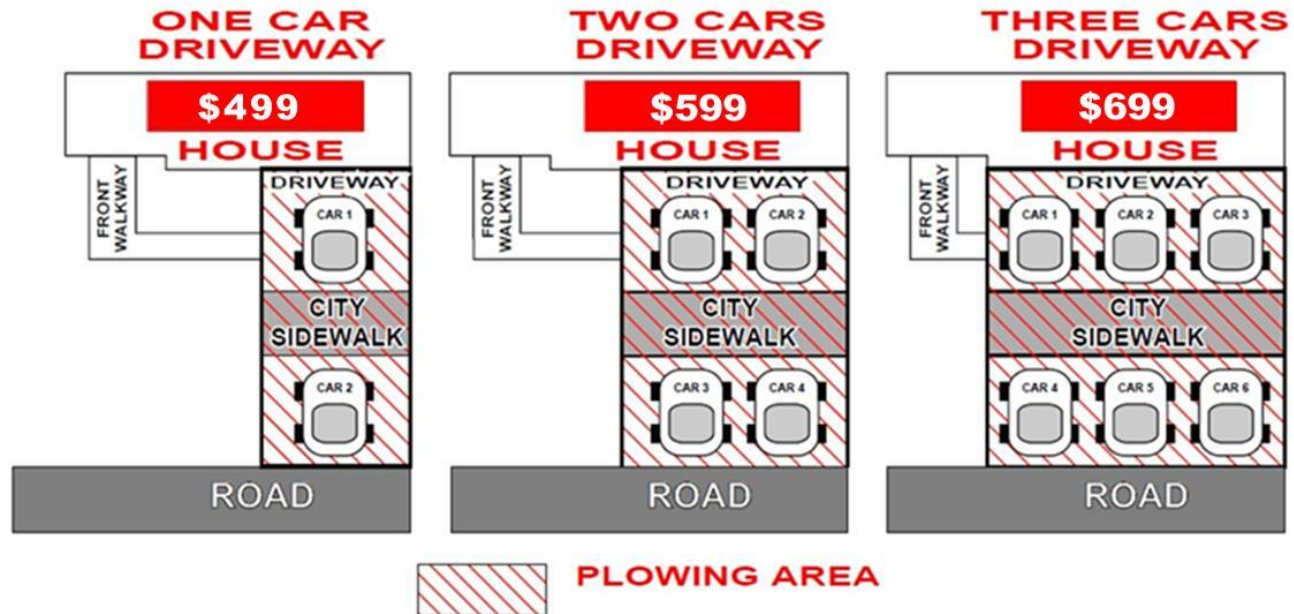

- *All Residential driveways will be plowed within 12 hours of the end of snow event. Unless there is a breakdown or very heavy snowfall it could take longer but everybody will still be done.*
- *It's to be understood that we cannot completely clean all snow. There will always be some thin layer left on the driveway after we finish snow plowing.*
- *The City by Law states "All snow must be put on Customer's property (i.e. MUST NOT be deposited on city's street)*
- *Any gardens or rock decorative stones or sprinkler heads MUST BE properly flagged.*
- *We are NOT responsible for what is covered by the snow and can't be identified in the dark.*
